MOTOR OIL
Bullseye is a lubricating oil that helps to provide all season protection of critical engine parts. Helps keep engines clean, provides wear protection, helps prevent engine leaks, fights rust and corrosion. It is designed for use in automobiles requiring SC/CC specifications. Follow manufacturer's recommendations for viscosity grade and API service category.
Don't pollute, conserve resources. Return used oil to collection centers.
Caution: Avoid prolonged contact with motor oil. Continuous contact
used oil has caused skin cancer in laboratory animals. Wash skin with soap and water after contact. Launder or discard with soiled clothes.
KEEP OUT OF REACH OF CHILDREN
